### and what have you

by BOB CRAIG

Boy have you ever seen a mixed up mess like this district is in this year? It takes a half of hour just to explain all of the possible ways it can come out.

But regardless of the many ways it can go—Hamlin must beat Stamford Friday night to share in the title. So lets all go to Stamford and back the Pipers all of the way.

The gremlins must have been at work in Hamlin last Thursday turning everything upside down.

To start the day off on this upside down pattern, the MKT freight train derailed Thursday. Following this, Mr. C. H. Claydon of Buckeye, Ariz., freight train derailed Thursday while taxiing onto the runway at the airport north of town. And to wind up the day, the fathers were in charge of the P-TA meeting that night, taking their wives' place on the program.

Two weeks ago we carried a news release from the U. S. Navy that fire control technician third class Milton E. Crow participated in operation "Sea Shell off the West Coast Oct. 2-13.

This was true, but it happened a year ago. His father told us last week that Melton was discharged last March and has been in Fort Worth since July attending an IBM school.

I don't know where, but someplace along the line the news release was misplaced for a full year—or else somebody's records are mixed up.

Like most newspapers we at the Herald have an aversion to publishing poetry because of the complications it can lead to, but when Hamlin's poet-laureate, J. E. Patterson, celebrates his 80th birthday I think it is time to relax the rules.

The following poem was written by Patterson after he was honored with a surprise party Friday morning. His birthday was Saturday.

"THEY MAKE LIFE SWEET"  
Life is sweet because of the friends I have made  
And the thing which in common we share  
We want to live on, Not because of our self  
But because of the people who care.

It's going and doing for somebody else  
On which all life's splendor depends  
And the joy of this life, when you've summed it all up  
Is found in the making of friends.

Marvin Carlton informs me that the immediate past president and the newly elected president of the Texas Association of the Secondary School Principals are both Hamlin Exes.

The past president is Dr. Holmes Webb of the Department of Education of Texas Tech and the new president is I. J. Kimmins, principal of Phillips High School.

## Celotex and Union Sign New Contract

A new two-year labor contract was signed October 31 between The Celotex Corporation and Local 210, United Cement, Lime & Gypsum Workers, according to D. W. Cowan, works manager of the Celotex Hamlin Plant. The contract became effective on November 1.

The contract includes two annual wage increases and the establishment of a new pension plan for all hourly employees, Cowan said. Employees will receive a wage increase of 4 cents per hour the first year of the contract, and another 3 cents increase for the second year. The pension plan will become effective on November 1, 1962.

**EARLY MORNING DERAILMENT**—Shortly after midnight Thursday the MKT freight train derailed three cars when the heavy rains caused the track to give way. By Thursday afternoon the railroad men had built a "shoo-fly" around the three cars to make the road passable so that service could be resumed.

## FFA Conducting Takes First at District Contest

The Senior Chapter Conducting team of the Hamlin Future Farmers of America Chapter won first place in the Stamford District FFA Leadership contests Tuesday, November 7. The contests were held at the

Hamlin High School with the local chapter serving as hosts. Members of the winning team were: president, Stanley Austin; vice president, Ronnie Flenniken; secretary, Ronnie Teichelman; treasurer, Carroll

Stinnett; reporter, Jimmy Cooper; sentinel, Jerry Warnell; and delegate, George Stovall. The team scored 891 points in winning first and earned the right to represent the Stamford District at the Area II Leadership Contests, which will be held November 21 at Howard County Junior College, Big Spring. Anson, Roby, Rochester and Stamford followed the Hamlin team finishing in this order.

The Hamlin Junior Chapter Conducting team placed second to Anson, being beat 864 to 855. Members of the junior team were: president, Stanley Smith; vice president, Holman Jones; secretary, Larry Farnsworth; treasurer, Jimmy McCurdy; reporter, Bobby Brown; sentinel, Jerry Brown; and delegate, Rupert Compton. Other teams and the order in which they finished were Rule, Roby, Stamford and Haskell. Results of the other contests were: Senior Farm Skill—1st, Anson; 2nd, Rochester. Junior Farm Skill—1st, Anson; 2nd, Rochester. Radio—1st, Stamford; 2nd, Rotan, 3rd, Anson. FFA Quiz—1st, Rule; 2nd, Hawley; 3rd, Rochester.

Dannie Maberry, Bill Kitchen, John Priddy, and Joe Martin represented Hamlin in the FFA Quiz contest. The Hamlin teams were trained and coached by T. C. Blankinship and Milburn Wink, local vocational agriculture teachers. Teams from Anson, Avoca, Hamlin, Haskell, Hawley, McCaulley, Roby, Rochester, Rule, and Stamford participated in the contests. All first place winners will represent the district at the Area II contests.

## POLICE DEPARTMENT 3 MONTH REPORT SHOWS 206 CALLS

The quarterly report from the office of Police Chief John McCurdy includes 206 calls and investigations made during the months of August, September and October.

### Midland Man Killed on Job Here

James E. (Jim) Crow, 40, of Midland, was electrocuted Friday when he accidentally came in contact with a hot line carrying about 60,000 volts while he was installing a switch at the West Texas Utilities substation here.

A resident of Midland, he had been employed by the Royal Electric Company of Abilene for the past two years.

Funeral services were held Sunday at 3 p.m. in Stanton with burial in the Stanton Cemetery.

He is survived by his wife and two children, a boy, three years old and a girl about seven months, all of Midland; his parents of Stanton; and two brothers.

### New Recruiter Assigned Here

SFC Billy R. Smith is the new Army Recruiter assigned in Abilene. He is replacing M-Sgt. Norman R. Hughes, who will be the Administrative Sergeant for the station.

Sgt. Smith comes to Abilene from Germany where he was stationed for three years.

Sgt. Smith lived in Brownwood before enlisting in the Army through the Abilene Army Recruiting Station in 1956. He graduated from Brownwood High School in 1953 and was on the Brownwood football squad.

Working from the Abilene Recruiting Office, Sgt. Smith will be in Hamlin on Mondays from 1 to 3 p.m. Men interested in the Army may contact him through the post office.

### On Lay Committee

L. H. McBride, layman of the First Methodist Church, has been appointed to the National Lay Committee on Evangelism of the Methodist Church. The appointments were made by the denomination's General Board of Evangelism at its last annual meeting and included 12 members from each of the six Texas Conferences.

# Pipers to Play for Share of District

The Pipers will be playing for at least a share of the district championship Friday night when the journey to Stamford to meet the Stamford Bulldogs. A win by Hamlin will give the Pipers a share of the title with the right to represent the district being determined by the outcome of the Anson and Haskell contest being played the same night.

A win by Anson will put Hamlin into the playoffs by virtue of their win over Anson. A win by Haskell will put the Indians in since they hold a win over the Pipers. A tie in the Anson-Haskell clash would give the district title to Hamlin clear.

The Bulldogs hold a win over Spur and Haskell in district warfare while losing a game to Anson and can share in the title by winning Friday night.

The first 400 tickets sent over from Stamford were sold Monday and an additional 200 were placed on sale Tuesday at the three drug stores.

The Bulldogs have a well

balanced team with a strong defense. Their best back is 146 pound Andy Miller.

The Bulldog starting lineup has Melvin Greenshaw, 152, and Ronnie Jones, 153, at ends; Ronnie Harrison, 208, and Fred Hudson, 177, at tackles; Bill Rollins, 164, and Jimmy Harkins, 162, at guards; Clifford

Loughmiller at center; Randy Stevenson, 154, at quarterback; Roger Tipton, 168, at wingback; Paul Rider, 166, at fullback; and Miller at halfback.

Coach D. C. Andrews reported his charges in good shape with the exception of Lanny Ford who is not expected to play again this week.

## LAST RITES SET TODAY FOR MRS. WHITELY

Funeral services for Mrs. Rebecca Whitely, 80, will be held today (Thursday) at 3 p.m. in the First Baptist Church in Caddo, with burial in Caddo Cemetery under the direction of Milton Funeral Home.

Mrs. Whitely died at her home, 137 S. W. Ave. D, at 1:30 p.m. Tuesday.

Born January 22, 1881 at Mineral Wells, she was the widow of the late J. M. Whitely. She was a member of the Assembly of God Church here.

The body lay in state at Hamlin Funeral Home until Wednesday afternoon.

Survivors include five sons, Marvin of Breckenridge, Henry of Arkansas, J. M. of Hamlin and Claude and Johnnie of California; three daughters, Mrs. S. T. (Myrtle) Houghton of Hamlin, Mrs. H. M. (Lorene) Smith of Turkey and Mrs. B. J. (Annie Bell) Lindley of Haskell; three brothers, Homer Jess and Charley Grove, all of Mineral Wells; two sisters, Mrs. Elbert Hambrick of New Mexico and Mrs. Mayhoun Houghton of Mineral Wells, and 31 grandchildren.

## Most Businesses To Stay Open Here Armistice Day

The town as a whole will not observe November 11, Armistice Day, as a holiday. Most merchants will be open for a regular Saturday's business.

However the postoffice, bank and City offices will be closed. Also, the barber shops and the dry cleaners. Possibly some others will close, but for the most part business will go on as usual.

### Scott Promoted

The promotion of Cadet Terry Scott of Hamlin to Sergeant First Class was announced today by Lt. Col. John Miller, professor of military science at Tarleton State College.

Scott is the son of Mr. Buck A. Scott and an agriculture student at TSC. He is a member of the Tarleton Reserve Officer Training Corps.

## FINAL RITES HELD HERE FOR TRAVIS SMITH

Funeral services for Travis L. Smith, 51, local cotton farmer and combine operator, were held Monday at 3 p.m. in Calvary Baptist Church. The Rev. John H. Burleson, pastor, and the Rev. W. C. Ray, pastor of the West Side Baptist Church of Haskell, were the officiating ministers.

Burial was in the Hamlin East Cemetery under the direction of Hamlin Funeral Home.

Mr. Smith died Sunday at Hendrick Memorial Hospital in Abilene after suffering a heart attack while driving his car within five blocks of the hospital. He was able to pull the car to the curb and stop it. Cecil Terrell, riding in the car with him rushed him to the hospital.

Born September 22, 1909, in Winfield, Texas, he had been a resident of this area since he was eleven years old. He lived with his mother on a farm about 3 miles east of town. He was a member of the Neinda Baptist Church and the Veterans of Foreign Wars.

Survivors include his mother, Mrs. Wood Smith; three brothers, Milton and Grady of Hamlin and Earl of Stamford; one sister, Mrs. Pete (Mavis) Bond of Hamlin.

Palbearers were Paul Galey, J. E. Johnson, Cleo Perryman, John Scarborough, Clyde Huff and Louis Johnson.

## MRS. JOHNSON BURIED SUN. AT NEINDA

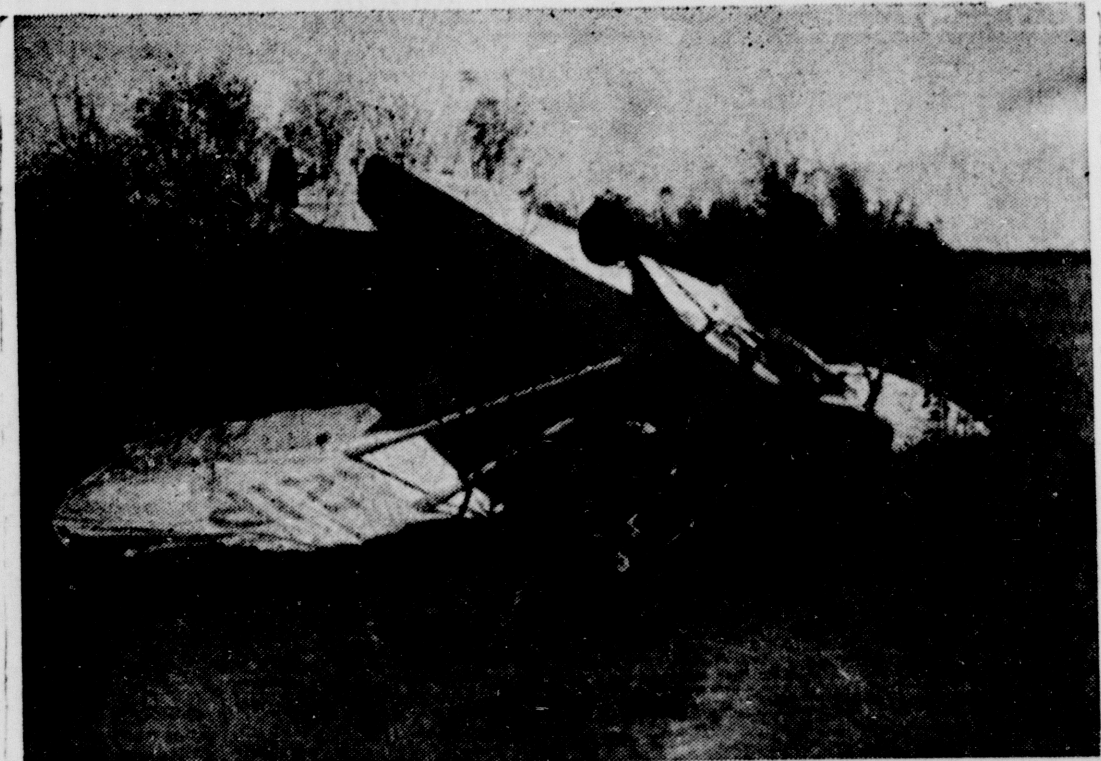

Mrs. Augusta M. Johnson, 70, long time resident of this area, died Saturday at 6:45 a.m. in the Hamlin Memorial Hospital following an illness of three weeks.

Funeral services were held Sunday at 2:30 p.m. in the Calvary Baptist Church with the Rev. John H. Burleson, pastor, and the Rev. James Wood, pastor of the Aspermont Central Baptist Church, officiating. Burial was in the Neinda Cemetery under the direction of Hamlin Funeral Home.

Born February 5, 1891 in Hill County, Texas, Mrs. Johnson was married to J. T. (Jim) Johnson on February 5, 1911 at Neinda. Her husband preceded her in death in 1950. She was a member of the Calvary Baptist Church.

Survivors include two sons, Robert Carl of Lakewood, California; John T. of Hamlin; one daughter, Mrs. Charles (Grace) Johnson of Odessa; one brother, Howard Walling of Yacipa, California; one sister, Mrs. Frank Ellis of Hillsboro, Texas; and six grandchildren.

Palbearers were Ray Johnson, W. T. Johnson, Louis Johnson, Weldon Johnson, Leonard Johnson and John M. Hudson Jr.

**NO ONE INJURED**—C. H. Claydon of Buckeye, Arizona, received only a minor scratch on his knuckle when his four-place Cessna was flipped over by a gust of wind at the airport north of town about 10:30 Thursday morning. He and his wife spent the night here Wednesday because of the weather and were on their way home from Enid, Okla. She was not in the plane at the time of the accident. He was trying to taxi to the east end of the runway when the wind caught the plane and sailed it about 200 yards down the south runway where the plane flipped over.

"THE NICEST THING THAT EVER HAPPENED TO ME"—J. E. Patterson was honored on his 80th birthday Friday morning at Howard's City Drug. The surprise party was given by his friends and included a decorated cake with eight candles on it and gifts from some of his many friends. When the cake was brought out and "Happy Birthday" was sung he remarked that this was "the nicest thing that ever happened to me." He is City Judge and was formerly in the insurance business here.

## 1962 WHEAT PROGRAM CALLS FOR ADDITIONAL REQUIREMENT

Growers who want price-support protection for their 1962 wheat crop are reminded about the conservation requirements of the 1962 wheat stabilization program. J. Noel Weaver, chairman of the Jones County Agricultural Stabilization and Conservation Committee, points out that wheat growers will have to take an extra step this year if they want to be eligible for price support on their 1962 crop.

In other years, he explains, it was necessary for a producer to comply with his farm wheat acreage allotment in order to qualify for loans or purchase agreements on his wheat crop. In 1962, such compliance is still required, but there is an additional requirement that an intention-to-participate form be filed and that the acreage diverted from the production of wheat be devoted to an approved conservation use. Program payments will be made to producers for conserving the diverted acreage.

According to the chairman, the 1962 wheat allotment notices sent to growers before the wheat marketing quota referendum last August reflected a 10 per cent reduction below what the allotment would have been under previous legislative authority.

Under legislation governing the 1962 wheat program, this 10 per cent diverted acreage figure is the minimum acreage which also must be devoted to soil-conserving uses in order to comply with program provisions. The diverted acres put to an approved conservation use must be in addition to the normal acreage devoted to conservation uses on the farm.

Chairman Weaver suggests that farmers check with the ASCS County Office about approved conservation practices which may be carried out on diverted wheat acreage in complying with the 1962 Wheat Stabilization Program.

## Plans Completed For Stonewall 4-H Banquet Nov. 13

Final plans have been made for the Annual Stonewall County Awards Banquet, November 13th in the Aspermont School Cafeteria, starting at 7:00 p.m.

Ninety-one County winners, and parents are invited to this Banquet; along with some special guests.

Sharon Leverett of Old Glory has been chosen to be the Mistress of Ceremonies this year.

The Banquet is sponsored by the First National Bank, Ralph Riddel in charge.

## Lions Club Broom Sale a Success

The Hamlin Lions Club Annual Broom Sale was a big success again this year according to Ed Croan, president.

He reported the Lions sold \$937.35 worth of brooms and other goods made by the blind. He stated that he wished to thank all of the people who made purchases and also expressed his appreciation to all of the Lions who turned out for the sale.

40 Years Ago-

Ex-servicemen to be honor guests of Hamlin People Friday night for a banquet. As John C. Turner started out to secure the "wherewith" to bear the expenses of the Armistice Day Programs, he found everybody "rearing" to go and soon had over \$200. The former soldiers boys will observe the Eleven O'clock Hour as in the past years. The universal signal of Fire Siren and whistles will sound the hour. According to the wish of President Harding, from 11:45 to two minutes past 12, bells should be tolled, in order that the solemnity of the hour may be further emphasized and that during the first two minutes after 12 all devout and patriotic citizens of the United States to indulge in a period of silent thanks to God. In the afternoon there will be a football game between the Hamlin high school and the Merkel high school. And very likely the manager of Brunk's Comedians, Mr. Harley Sadler will give a matinee at which time all ex-servicemen will be admitted free.

A deal was consummated on November 1, 1946, which changed the ownership of the Herald to that of H. G. Lackey and Willard Jones. On that date, the Herald had been in our hands 31 years and seven months. When we think of stepping out of a place that has been our constant care for more than thirty-one years, a world of words come welling up that we could say. We shall

always be grateful for the friends we have had all these years, for every kind word and helpful thing the folks of the Hamlin community have given us. We can assure Hamlin people that the new owners are capable and experienced newspaper men, and we expect and hope that they will make a better Hamlin Herald than we have been able to do especially under the trying labor conditions the past few years.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN—What happened to the million tourists who did not come to Texas this year? That question faces a State-wide conference of Texans for Tourists called for November 28 in Austin, by Gov. Price Daniel.

Since 1957, the number of tourists coming to Texas has steadily declined. Governor Daniel always has felt that Texas should match the advertising programs of other states.

Nationally, tourism is the third largest industry. In Texas, it ranks 13th.

Texas voters amended the constitution in 1958 to allow state money to be spent to attract tourists. But two sessions of the Legislature have declined to appropriate the money.

Charged with responsibility of promoting tourism in Texas is the State Highway Department.

The upcoming all-day session is designed to build grassroots support for legislation to finance a program of advertising.

SAFE HIGHWAYS—An increase in highway fatalities this year, after a 26 per cent decline in past years, disturbs the state's chief policeman. Col. Homer Garrison Jr. of the Department of Public Safety.

Present statistics indicate the number of deaths in 1961 will be 20 to 25 more than the 2,254 of 1960. So Colonel Garrison has sent out word for his men to redouble their efforts to remove the unsafe and reckless drivers from the highways.

Program includes more use of radar equipment to check speeds, especially the new type which requires only one highway patrolman per car. It also includes more stopping of drivers to make sure they hold drivers licenses.

Tougher enforcement policy will be followed by Governor Daniel's annual Christmas traffic safety drive starting with Safety Sunday—December 10. Governor Daniel urged pastors to remind their members of their personal and moral obligation to drive carefully.

CAMPING OUT—More and more people are using the state park system for overnight camping.

Bill M. Collins, executive director of the State Parks Board, reported that 398,419 persons registered for overnight camp facilities in Texas parks during the fiscal year which ended August 31. This is far above the 297,418 of the previous year.

Attracting the greatest number were the rugged canyons of Garner State Park. Gain there was 70 per cent, or an increase to 138,951 from 99,731 during 1961. Palo Duro Canyon and Huntsville State Parks also showed substantial gains in campers.

WATER CHANGES—Personnel of the important State Board of Water Engineers has undergone a shake-up.

Governor Daniel has moved Chairman Durwood Manford to State Board of Insurance, which is troubled by several legislative investigations. Manford, a former speaker of the House of Representatives, can be expected to work on Board-Legislature relations.

To replace Manford, Daniel chose as chairman of the Board of Water Engineers Joe D.

Carter of Sherman. He moved from his present job as executive director of the Texas Water Development Board, the state water lending agency.

Carter has been in state water work since 1952. He has served as legal counsel for the Texas Water Resources Committee; legal examiner for the Board of Water Engineers; and as the first executive secretary of the Water Development Board. He is an attorney and a former representative and senator.

H. A. Beckwith of Eagle Pass was named to the Board of Water Engineers. He previously served 10 years on the board. Since 1958 he has been its chief topographic engineer. R. M. Dixon leaves the board.

The Board of Water Engineers is the state's water administrative and planning board. It decides who can take water from Texas streams. It also has worked out a master plan for meeting the needs of the state for municipal and industrial water for the year 1980.

MORE TAX LAWS?—City officials had their annual meetings, and heard Governor Daniel give support to their main thesis—that cities need new sources of revenue if they are to handle the growing problems caused by Texans moving to town.

Most likely avenue is the movement to have the state abandon the property tax, so it can be used exclusively for city and school purposes. The State and Local Tax Study Commission created by the Legislature in 1959 is specifically directed to report on this possibility.

Speaker James A. Turman filled two vacancies on that study group. He named Reps. Charles L. Sandahl of Austin and Charles N. Wilson of Trinity to work with senators and citizens who have been named to it by Governor Daniel and former Lieut. Governor Ben Ramsey.

In addition to reporting on the idea of state abandonment of the ad valorem tax, now bringing in about \$40,000,000 a year, the commission will report on whether other new tax sources should be granted to cities which need them.

Most startling tax news came from James McGrew, research director for the Texas Research League. He said it is a very close question whether the new sales tax will produce enough state revenue in the two years starting September 1, 1963, to keep the state's books in the black. The big factor—steady and heavy growth of public schools and colleges.

HIGH HEAD COUNT—Enrollments in the 19 colleges and universities operated by the state government rose sharply this year—about 11 per cent.

Total head count at the 19 schools this fall was 100,982. This compares with 91,960 a year ago and 52,568 only 10 years ago.

Addition of the University of Houston to the list of state-supported colleges in 1963 will give the state school a big jump. Its 11,860 enrollment this fall makes it the second largest in the state, second only to the University of Tex-

as' 20,396. Texas Tech at Lubbock has become the third largest with 10,212 enrolled.

Colleges and universities which are not state-supported showed a smaller gain than the state schools—from 59,036 to 60,924. One factor in the change was the move of Midwestern University at Wichita Falls into the state-supported group.

Fastest-growing college is Arlington State. It had 1,318 students 10 years ago and now has 8,318 to rank it fifth largest. Right behind is Texas A&M which has 8,835 students this fall.

MORE TIME—The State Board of Insurance urged all insurance companies to extend 60 days the 90-day period allowed under Texas standard policies for filing proofs of loss on Hurricane Carla.

While it was not an order, it is fairly certain the industry will obey the Board's suggestion voluntarily.

Legislative investigation was completed on the claim-paying practices arising out of Carla. Rep. Charles Ballman of Borger, chairman of the House Investigating Committee, suggested strongly that some legislation should result.

Legislators were particularly critical of the fact that the Texas policy carries the word "hurricane" on the front, but also carries an endorsement which limits the coverage somewhat.

They also found many Texans do not have their insurance policies, because mortgage companies require that the policy be filed with them. Legislators suggested that copies be supplied the homeowners, too. Some insurance companies do, and some do not.

NURSE PROGRAM—Studies by the State Board of Vocational Nurse Examiners reveal that 24,613 vocational nurses have been licensed in Texas since 1951. Also 103 training schools now are in operation over the state. Examinations on October 20 and 21 resulted in licensing of 656 candidates.

It now takes one year in a vocational nurses school or two years in a professional nursing school to become eligible to take the state board examinations.

WORKING ON THE HIGHWAYS—Texas Highway Commission laid out \$20,000,000 worth of work for its staff to do to improve safety on 2,433 miles of primary highway.

List includes 38 projects in 156 counties, and ranges from pavement and bridge-widening to complete reconstruction.

Highway workers are getting some new training, too. They will be taught how to detect radiation contamination, so traffic can be routed away from unsafe areas in case of a nuclear attack.

NEINDA PHILOSOPHER WOULDN'T WANT TO LIVE IN ALASKA ON ACCOUNT OF POOR AIM OF MISSILE SCIENTISTS

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1, tells where he wouldn't like to live, his letter this week reveals.

I have long since given up arguing with people over whether it's better to live in the country or in town, on account of it dawned on me that's one argument a man in the country ought to lose, because the more people there are in town, the less there are in the country, and that's a pretty good arrangement.

At any rate, I got to thinking about places to live the other day and while this Johnson grass farm out here suits me, I'm pretty well dug in and I don't know of anything that could pry me loose outside of a tax eviction notice from the sheriff, I suppose there are other people who feel the same way about their location.

Then I got to thinking about places I wouldn't want to live, and heading the list is Alaska.

Now I haven't got anything against Alaska, if she wanted in the Union to help us share the debt burden that's her lookout, but you couldn't pay me enough to live there, and I'll tell you why. It's not be-

cause of the climate. Even if they changed the temperature up there and made it pleasant to live the year-round, I still wouldn't be interested.

The reason I wouldn't be interested is on the scientific ability of mankind. I don't trust it yet. I mean I don't trust its aim, and when I say aim I mean its shooting aim.

That is, say Russia and the United States get into a push-button war, as most civilized people figure they will. All right, which is the shortest route for guided missiles between the secret launching pads of each country? Right over Alaska, of course. And how good is the aim of these missile scientists? Well, it

ain't good enough to make Alaska a safe place to be.

Two out of three successful and accurate launching of a missile is considered a pretty good batting average these days, which means a third of the missiles from both countries could fall in the lap of Alaska, just by accident.

A good portion of Alaska may be like this Johnson grass farm—it's not worth wasting a bomb on—but if I lived in Alaska, I'd either move or push hard for more accuracy among the missile scientists.

Man is going to have to improve his aim a lot before it's safe to start a missile war.

Yours faithfully, J. A.

# Pipers Clobber Spur, 40-14

The Pied Pipers retained their share of the District 6-AA title chase here Friday night when the scored two quick touchdowns in the opening minutes of play and then Coach D. C. Andrews emptied his bench for most of the remainder of the game to maul Spur, 40-14.

The game was Spurs last chance to come up with a district win their last year in District 6-AA. They will move into another district next year. The Pipers honored their dads before the game with the boys and their dads being introduced before the game got underway.

The first half of the contest was all Hamlin's with the Pipers leading in first downs, 7 to 2 and rushing yardage, 193 to -8.

Ten Piper backs saw action as the Hamlin eleven pushed across 263 yards on the ground.

Top gainer for the Pipers was Rayford Williams with 112 yards in 11 carries. Other backs and their carries were: Bill Richey, for 41; Dan Newberry, 2 for 30; Van Newberry, 10 for 23; Frankie Lee, 3 for 22; Larry Butler, 3 for 13; Stanley Austin, 2 for 12; Cleon Warner, 5 for 11; Ronnie Sipe, 1 for 7 and Andy French, 1 for 2.

The longest run of the year for the Pipers failed to go into the record books as Butler's 97 yard touchdown run was called back because of an infraction.

The Pipers hit the scoring column twice in less than four minutes to take an early lead and were never in danger as the starting unit saw only limited action.

Spur returned the opening kickoff back to their own 25 from where on the first play Curt Parsons fumbled with Hamlin recovering on the Spur 30. Dan took the handoff and headed over his left tackle and broke into the clear to go all the way. End Jimmy Cooper placed the ball through the uprights to put Hamlin out in front, 7-0.

Four plays after the kickoff, Van took a 14 yard punt and raced into the endzone from the Bulldog 35. Cooper's try failed and Hamlin owned a 13 point lead with 8 minutes and 45 seconds left in the first period.

Again Spur was forced to punt but a Hamlin player made contact with the ball and Spur recovered on the Hamlin 38. Failing to gain the yardage for a first, the Bulldogs gave up the ball on the Piper 32.

The Pipers opened up a 68 yard scoring drive with Austin passing to Cooper for six yards, missing on the next try and then carrying the ball 12 yards to the midfield stripe. Williams broke open for a 30 yard gainer to the Bulldog 20 and Austin missed on another pass try. Richey picked up nine but Hamlin was set back

15 yards on a penalty. Austin got range on Cooper for nine yards and then Williams powered his way for 12 yards to the Spur three. Williams crashed in for the score and Cooper converted to put Hamlin ahead, 20-0.

Butler recovered a Spur fumble on the kickoff to set up the Piper's next score. Van's pass from the Spur 33 was incomplete and then Hamlin was set back five yards on a penalty. Richey picked up 13 yards and then a clipping penalty put the ball back on the 42. Richey gained 14 yards to the 28 and then Lee picked up the first at the 21. Spur drew a five yard penalty and then Van sprung loose to the one.

On the next play he sneaked over for the score. Richey carried the two point try into the end zone to bring the score to 28-0.

The two teams see-sawed back and fourth through the balance of the first half and the third quarter with Spur starting their first scoring drive on the last play of the third quarter with the drive starting on the Piper 27. Joe Howell opened the drive with a four yard run, Parsons picked up two and Mike Thompson was stopped for no gain. On fourth and four at the 19, Howell broke for 13 yards to the eight. Richard Walker connected with Sam Parsons to the one and then sneaked over for the

score. The two point try failed and the score stood 28-6.

On the second play after the kickoff Sam Parsons picked off Van's pass in the Piper backfield and raced 36 yards for the TD. Curt Parsons ran the two points over and narrowed the margin to 28-14.

After the kickoff, Richey opened the Piper scoring drive from the Hamlin 39 with a four yard gain. Williams ripped off 14 yards and then six to the Spur 37 and then Austin's pass try failed and the Pipers led, 34-14.

After the kickoff Spur punted on fourth down with the Pipers taking over at their own 43. Williams gained four and then Lee powered his way for 10. Williams gained seven, Austin was held for no gain and then Lee picked up five to the 31. Williams picked up six, Austin passed 12 yards to Dan and Williams carried for 12 to the one. Richey carried in for the score and try after failed to give the Pipers a 40-14 lead.

Spur ran two plays to end the game.

The Library Club is sponsoring a book reading contest. The contest started October 9 and will continue all this semester. Another contest will begin for next semester on January 15. Any Hamlin High School student wishing to participate in the contest may enter by submitting their name and number of pages read to Mrs. Dewey Nunley, librarian. Mrs. Nunley will quiz the contestants concerning material read.

The Freshman Class will present a one act play next Monday in their regular assembly program for the entire student body. The play is entitled "Itchin' to Get Hitched" written by Richard Henry.

The characters include Pearl Mae Snead played by Jeanette Green; Maw Snead, Mary Ann Elkins; Paw Snead, Jackie Townley; Lizzy Snead, Carolyn Reynolds; Uncle Fud, Pat Batchelor; Clem Snead, David Drummond; Hank Fiddle, Jimmy McCurdy; and Preacher Bessie Smith, Melba Jean Scott. As you probably can tell by the character's names it is a "hill billy" play.

Mrs. Dewey Nunley and Mrs. Charles Scott are helping direct the play.

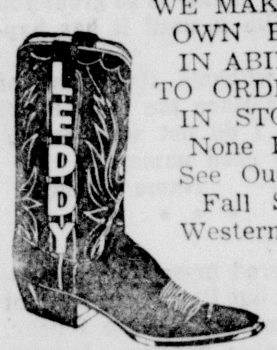

The Hamlin Chapter of the Future Farmers of America were host Tuesday to the schools in this district for a Leadership Training Workshop. The Hamlin FFA Chapter had a Chapter Farmer-Chapter Conducting Team, and a FFA Quiz Team to enter.

Members of the Senior Chapter Farmer-Chapter Conducting Team are Stanley Austin, Ronnie Fleniken, Ronnie Teichelman, Carroll Stinnett, Jimmy Cooper, Jerry Warnell, and George Stovell. Members of the Greenhand Conducting team are Stanley Smith, Holman Jones, Larry Farnsworth, Jimmy McCurdy, Bobby Brown, Jerry Brown, and Rubert Compton.

Mrs. Clyde Huff, buyer and bookkeeper for Malouf's Department Store, will present the program for the Future Homemakers of America Chapter on Tuesday night, November 14. Mrs. Huff will talk on the "Spring Forecast of Fashions" and also bring some clothes to be modeled. Some of the Homemaker II and III students will model costumes they have constructed in their classes.

The meeting will be held in the High School Library at 7:30.

## PUBLIC SAFETY OFFICIALS PREDICT MORE ROAD DEATHS

AUSTIN—Col. Homer Garrison Jr., director of the Texas Department of Public Safety, reported today statistics indicate at this time that traffic deaths in Texas will run one per cent higher this year than in 1960—which would mean 20 to 25 more motorcides than last year.

A total of 2,254 traffic deaths was recorded for 1960.

Quoting from an analysis by N. K. Woerner, DPS Statistical Services Manager, Garrison said:

"At this time, motorcides are running slightly higher for 1961 than for the same period of 1960. The 234 traffic deaths this past June was 52 more than in June of 1960, and 48 more than the past 15 year

June average. "Statistically speaking, we might show an improvement in October 1961 over October 1960, and we might hold our own in December. But November of 1961 will very likely have

more motorcides than November of 1960."

Garrison emphasized that the traffic death picture could well change before the end of the year. Stressing that most fatal accidents involve at least one traffic law violation, he pledged to do everything possible to hold down violations and appealed for "the all-out cooperation of the motoring public to hold the line against traffic death by obeying the laws of safety that were enacted for their protection."

## American Heritage Theme of Old Glory Beta Chi Meeting

By SHARON LEVERETT

The Beta Chi Chapter of Delta Kappa Gamma met Saturday, November 4 at the Old Glory Cafeteria with the Old Glory and Rule members as hostesses. The general theme was "American Heritage" and the speaker, Mrs. Joe Cloud, of Rule, presented a most interesting and informative talk.

Mrs. Cloud was introduced by Mrs. Willie Geer who is a Beta Chi member and is also a sister-in-law of the speaker. Mrs. Cloud made mention of a number of freedoms, also a number of blessings the average citizen takes so for granted. In trying to describe America she pointed out the difficulty and summed it up saying, "America cannot be described, for America is a Spirit."

Twenty-three members of Beta Chi Chapter enjoyed refreshments in keeping with the autumn motif. The table cloth was brown with stars in contrasting colors, and the centerpiece was a large basket artistically arranged with fall fruits and leaves and flanked by candles. The table was arranged by Mrs. Vera Bell and Mrs. Johnny Pumphrey. Other hostesses were: Mrs. Stella Mae Trice, Mrs. Willie Geer, Mrs. Maxine Klump and Mrs. Mary Jo Leverett.

Mrs. Gretchen Colehour presided over the business meeting. The next regularly scheduled meeting will be in December and will be a luncheon featuring foods from around the world.

**Dear Amy:**

I met a boy I dated two years ago at a dance last month. He asked me to marry him last week. We have been having arguments about 'going all the way.'

Please tell me is it wrong to do so before you get married? It's against my better judgment. People have told me a lot of things and I'm all mixed up. Please answer as soon as possible.

**Dear Amy:**

I attend a prominent Eastern prep school and I am very much in love with the daughter of an eminent business man. On my first night home from summer school, we attended a small fraternity party, at which everyone was drinking. During the course of the party, we went up to a fraternity brother's bedroom and—well, I guess you know what happened.

Now I have returned to school for the fall session. Last week I received a letter from her in which she told me she felt she was pregnant. If this is true, it will mean the sacrifice of our lives and dreams.

**Dear Amy:**

I considered myself a well-educated man but I'm afraid I'm not hep to some expressions I hear. As a business practice, I occasionally entertain my clients and recently I took two Jewish doctors out for lunch to discuss several of my products (pharmaceuticals). In conversation, they mentioned 'Jewish Penicillin' and its miraculous curative powers. Then they burst out laughing.

Not to appear ignorant, I laughed along with them, but I didn't know what in Sam Hill they were talking about, and I didn't want to ask them.

Amy, what is 'Jewish Penicillin'?

Not Informed

**Dear Amy:**

My husband and I are a young couple. We have been married for 3 years and have an 18 month old son. One year ago, at the death of her husband, my mother-in-law came to live with us. She has never really cared for me and disapproved of our marriage from the start.

During this past year, she has tried desperately to break up our marriage. Now when my husband and I have a quarrel, she enlarges the view and I get the blame. My husband loves me very much and up until the time she came to live with us, we were very happily married. I'm sure that unless she will leave, the situation will get very serious.

Waiting Anxiously

**Dear Waiting:**

I'm sure (under the above circumstances) you are right. Insist your husband make arrangements for her elsewhere.

# BUSINESS ADJUSTMENT SALE

IT'S A BITTER PILL TO SWALLOW! But here's the low-down! It nearly breaks our hearts to see our huge stocks of Quality Merchandise GO ON SALE at the ridiculously low prices you see advertised here... But there's not much we can do about it for we have a serious inventory problem. WE'RE OVERSTOCKED with far too much merchandise for a store our size. We simply must move HUGE Surplus Stocks at any cost to adjust our inventory. We're an aggressive firm, maintaining an enviable reputation and selling only the top brand name lines. But — like all well-rated firms there comes a time when the mistakes occur and adjustments are in order. That's why profit is not the object of this Sale. MOVING STOCKS—REDUCING INVENTORY and stimulating business is OUR ONLY REASON for this sudden and drastic move. We consider it good business to take our losses now — swallow our pride and admit our mistakes. Nothing wrong in that is there? That's why we have ripped, hacked and slashed prices in every department. — Why you can save 20% — 30% — yes, even 50%. So, come shed a tear with us while we bury our mistakes and take our losses.

# 1962 IMPERIALS EMPHASIZE STYLING, PASSENGER COMFORT

Dallas—A full line of 1962 Imperial cars will go on display in dealer showrooms in the Dallas region beginning November 6, according to Chrysler-Plymouth Regional Manager, T. L. Morgan.

The 1962 Imperial emphasizes styling continuity, reliability and passenger comfort, Mr. Morgan said.

He further pointed out that the Imperial retains its traditional 129-inch wheelbase—so important to full-size luxury and comfort in motoring.

"The 1962 Imperial continues to offer the ultimate in automotive prestige combining maximum luxury and performance," Mr. Morgan said.

Improvements in the 1962 Imperial include: increased passenger room in the front compartment; A new and more compact and more durable automatic transmission; new power brakes; Greatly reduced oil change and lubrication requirements; wider choice of rich and colorful interior fabrics and color schemes.

Power plant for the Imperial is a 413-cubic-inch 340 horsepower V-Eight engine.

Imperial's classic free-standing headlamps introduced last year accent the front area of the car. New nacelle-type free standing tail lights mounted on each rear fender give styling continuity in the tradition of past gunsight-styling Imperial tail lamps.

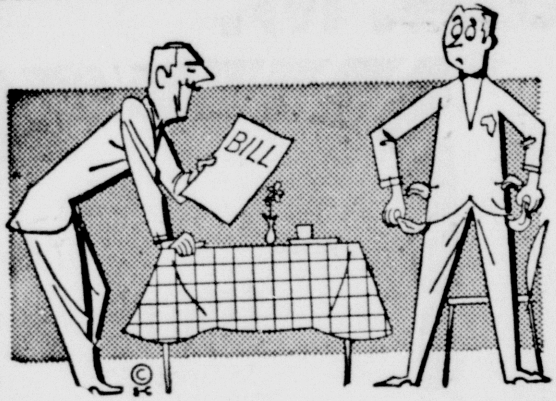

Six models are offered in 1962: two-door Southampton hardtops in the Custom and Crown lines; four-door hardtops in the Custom, Crown and LeBaron lines, and a convertible in the Crown line.

The prestige LeBaron four-door hardtop offers the distinctive limousine-styled rear window framed by a town car roof canopy, which gives rear seat passengers greater privacy.

**OLD GLORY ROYALTY**—Miss Landra Baitz, lower right, was crowned Pirate Queen Tuesday night, Oct. 31, at the Pirate Coronation sponsored by the Old Glory senior class. She was escorted by Donald Boles, pictured behind her. Miss Rhonda Blitz, lower left, was crowned Princess. She was escorted by Larry Flow.

## FAIRVIEW NEWS--

By MRS. ELMER JOINER

Good rains recently have been of great benefit to the wheat fields. While driving down the road one may see wheat in many different stages of growth, but all a beautiful green. The cotton harvest continues when the weather permits.

Coronation of the Pirate Princess and Pirate Queen took place Tuesday evening in the Old Glory Gym in an impressive ceremony. Rhonda Baitz was crowned Princess by her escort, Larry Flow; while her sister Landra Baitz was crowned Queen by her escort, Donald Boles. The Princess is an eighth grade student while the Queen is a

Sophomore in high school. The royal court consisted of the Flower Girls; Rhonda Rose and Tanya Moore and the Crown Bearers were Dewey Dudensing and Dale Letz. Also nice White, loan of the trunk; ly, Debbie Pierce and Russell Letz; Judy Sanders and Rick Cornelius; Regina Letz and Herby Wooldridge, Merilyn Flow and Stanley Diers; Sharon Leverett, M.C. for the event was Tommy Letz and announcers were Mary Boles and Peggy Pringle. Seniors who had backstage responsibilities were Buddy Tredemeyer, Donnice Pierce, Nancy Robinson, Bobby Hunt and Alden Lowack.

The Senior class members and their sponsor, Mrs. V. R. Leverett, wish to thank everyone who had a part in making the coronation such a successful event. They wish to thank the following particularly: Bob Craig, helping judge and photographs; Mrs. Johnnye Pumphrey, helping judge; Bernice White, loan of the trunk; Barrow Furniture in Hamlin, cardboard mattress boxes and Young's Funeral Home in Aspermont, funeral grass.

A number of patrons lent floodlights, extension cords, etc. Mrs. Geraldine Garner, Mrs. Mabel Sawyers and Mrs. Adeline Letz made the pillow covers for the thrones. The senior mothers also baked cakes and pies to help the senior nominee, Judy Garner.

Theme of the Coronation was "Pirate's Gold" and the colors were red and gold. The four

A really good driver is one sensible enough to obey the traffic rules — and quick enough to dodge others who won't.

# First Showing IMPERIAL OF 1962

IMPERIAL LEBARON FOUR-DOOR SOUTHAMPTON

## A forthright challenge to everyone who plans to buy a luxury car this year

In a few days, you will receive a personal invitation to drive a 1962 Imperial.

Not the usual vague "see your dealer" . . . but a specific challenge to compare your own car with the best Imperial we've ever built.

At your convenience, a dealer in your area will deliver a 1962 Imperial to you . . . for a thorough comparison-tour that you conduct by yourself.

We believe anyone planning to invest from five to seven thousand dollars in an automobile is entitled to the unembroidered facts right from the car itself.

Naturally, our dealers explain the advantages of torsion-bar suspension . . . tell you how the alternator supplies current even while the engine idles . . . quote engineering data on the superior performance of our new transmission . . . and answer any other question you ask about Imperial.

But you can find out only so much about Imperial by mere listening. To give the facts substance and meaning you must drive and compare.

So, when our invitation arrives, take us up on it. It obligates you not at all. And whether you eventually buy an Imperial or not, you'll never forget that once you drove a car which handled and accelerated and thrilled as a great car is supposed to.

R.S.V.P. Even though our invitation may somehow miss you, an Imperial comparison-tour may easily be arranged by writing on your letterhead to: General Manager, Imperial Division, 12200 East Jefferson, Detroit, Michigan.

What's all this jive about a "thinking stove" man?

**FIRST BEATNIK:** Why, man, that's a fantasy kick going the rounds. There's this stove, see, and it thinks. You're not hep to fairy tales if you haven't heard this one.

**SECOND BEATNIK:** That's square—real way out. Next there'll be another Buck Rogers story — like housewives are obsolete.

Housewives aren't obsolete when they cook with flameless electricity — but they're in perfect control of the situation. Your modern electric range offers perfectly controlled flameless heat. We don't promise you another "brain" around the house — but we do promise you cooler, cleaner, safer, flameless cooking. And, it's economical too . . . for customers served by West Texas Utilities it costs less than 3¢ to cook a complete meal. See your electric appliance dealer for your electric range.

Since the frost we received the 3rd followed a rain that didn't kill all the cotton leaves but surely in the near future we will have a big killing frost or freeze, preferably frost, so the remainder of the cotton can be harvested.

Most of the wheat has been sowed here and some is up and growing, especially the farmers who have cattle and want it for early pasture.

Mr. Edwin Tacker went to Wichita Falls Friday to get his wife and her sister Mrs. Sadie England who spent almost two weeks with their brother, Mr. Percy Jones and his wife.

Mr. and Mrs. Doyl McKinnon visited Mr. and Mrs. Doyl McKinnon Jr. and children at Lubbock last weekend.

Ed Pritchard of Abilene entered Hendricks Hospital as a medical patient Tuesday. He was allowed to go home Saturday but is still under close observation of the doctors.

His parents, the Clyde Pritchards and brother, Bill Pritchard and family and his sisters, Mrs. Craig Stephens and Mrs. H. M. Phillips have visited him several times the past week.

Mrs. Lelia Eoff of Lamesa is here visiting the Edwin Tackers, Mrs. England and the Dave Glenns. Also Mrs. Ruth Apperson. She attended morning services at the Baptist Church Sunday.

A pink and blue shower was given Saturday afternoon in the basement of the Baptist Church here, honoring Mrs. David Strickland, the former Betty Vinson.

A white cloth was used on the table with a very pretty center piece of pink and a pink cloth on the register table with a bouquet of white flowers. Sandra Gilbreath registered twenty-eight guests.

Plate favors were safety pin storks in a white marshmallow.

Coffee and hot chocolate was served with cookies with pink centers.

Hostesses were Mrs. Tom Gilbreath, Mrs. Benny Parnell, Mrs. Bennett, Mrs. Walter Osmont, Mrs. George Long, Mrs. Orb Long, Mrs. Roy Williams and Mrs. Clyde Pritchard.

Dan Ashburn of Louviers, Colorado, visited his sister, Mrs. Ruth Apperson and sons, John and Dulin Monday and Tuesday, on Tuesday another sister of his, Mrs. Mary May of Stamford and his brother, Mr. Ben Ashburn and wife all met at the Appersons for a visit.

Mr. and Mrs. Spencer Baize and children and Mr. and Mrs. Fred Osmont and little daughter all visited their parents, Mr. and Mrs. Ralph Merchant and Jeanie in Abilene Saturday. Mrs. Baize and Mrs. Osmont are daughter of the Merchants.

Mrs. C. P. Amerson accompanied Mr. and Mrs. Jess Compton to Hillsboro Thursday because of the serious illness of a sister-in-law, Mrs. Eugene Amerson. Mrs. Amerson passed away and Mr. and Mrs. Johnny Bryant and Mrs. Elsie Bostic also went for the funeral on Sunday.

Arlon Baize of Potlatch was a speaker at the Church of Christ Sunday and was a lunch guest of the Gayle Baize family.

Mr. and Mrs. Willie Bennett visited their parents, Mr. and Mrs. G. E. Roland in Anson Monday.

Mr. and Mrs. Oran Brigham and Randy visited Mrs. Hazel Fuqua at Avoca Sunday.

Mr. and Mrs. Al Smith and Bonnie, Mr. and Mrs. E. A. Bushell, all of Stamford, Mr. and Mrs. Buddie Buske and family of Kress, Miss Bonnie Panzel and Jerry Buske of Sweetwater, Nora Mae Buske of Wellington all were visitors of the Jack Buskys Sunday. Nora May will remain for a two weeks visit.

Mrs. Jack Buskey was released from Hamlin hospital on Monday but is still under the treatment of the doctor.

Andy French Jr. suffered a broken hand in playing football in the Hamlin-Spur game. Glenn Gilbreath of Plainview spent the weekend here with his parents, Mr. and Mrs. Tom Gilbreath and Sandra.

Mrs. Winnie Butler of Seymour and Mrs. Bonnie Meads of Avoca visited Mrs. Rebecca Harwell Friday.

Mr. and Mrs. Ralph Shanfelt of Stamford visited Mr. and Mrs. George Long Sunday afternoon.

Mr. and Mrs. C. E. Wisener and J. L. visited their daughter, Betty, Saturday at Ranger Junior College and saw her perform as cheerleader at the Ranger-Cisco football game.

Mr. and Mrs. A. C. Ross spent Thursday in Lubbock visiting Mr. and Mrs. Ann Dunn.

STATE LAUNCHES STEPPED-UP TRAFFIC LAW ENFORCEMENT

AUSTIN—Col. Homer Garrison Jr., director of the Texas Department of Public Safety, announced today a stepped-up traffic law enforcement program is being launched in an all-out effort to stem the tide of traffic deaths during the remainder of the year.

"We find ourselves confronted with the alarming fact that statistics indicate some 425 persons will be killed in traffic crashes in Texas in the short period of two months, November and December," Garrison said.

"Indications at this time are that the total number of motor vehicles for the year 1961 will be 20 to 25 greater than the total for 1960, for an increase of about one per cent.

"But we feel confident that with an accelerated enforcement program and, most im-

portant, the active support and cooperation of the driving public—the statistics can be made to lie. And that is exactly what we propose to do.

"We feel that the traffic death tragedy cannot be over-emphasized. When it is considered that during last year alone, there were 2,254 violent deaths on the streets and highways of our state caused by colliding motor vehicles, it can readily be seen that concerted action on the part of everyone concerned is in order."

The DPS Director said the new emphasis program on the part of the department is being geared to the proposition that in almost every case, fatal motor vehicle accidents are caused by at least one violation of the law.

Therefore, he continued, these factors will compromise the

program:

1. Field personnel throughout the state are being instructed to redouble their efforts to remove reckless and dangerous drivers from the highways.

2. Six new patrol sergeants authorized by the last session of the Legislature have completed their training and are being given their respective assignments. This will result in closer supervision and coordination of the work of the patrol.

3. Field personnel throughout the state are being ordered to step up their programs of stopping motorists to check their drivers' licenses.

4. The use of radar will be greatly increased throughout the state by the addition of numerous new units which will augment the radar equipment already in use.

The new radar units, one of which has been used very successfully in several areas, are much more efficient than the older type in that they are mounted on the patrol car and require only one operator. This

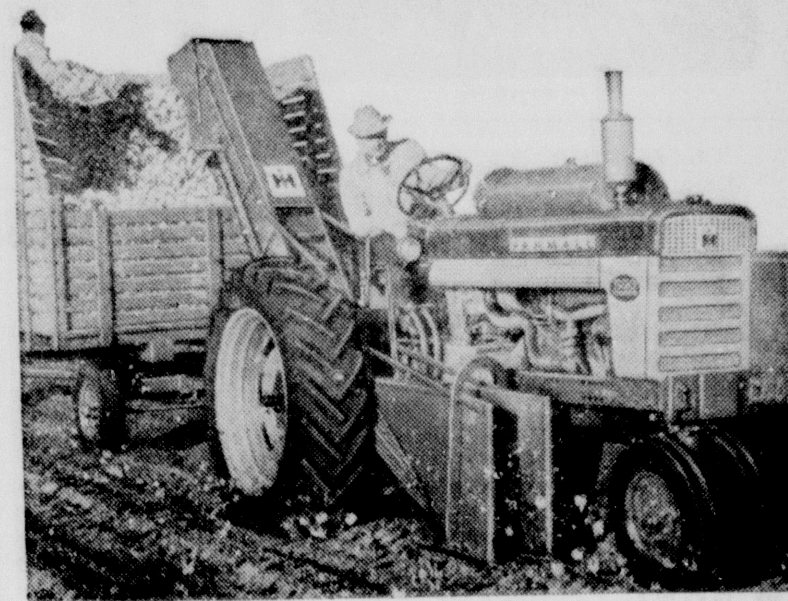

also enables the operator to change positions when it becomes apparent that his operation is becoming ineffective.

And, since only a single operator is needed, this means a number of officers will be released for other patrol efforts, thereby broadening the total coverage.

"These measures are being implemented as our part of what we hope will become an overall drive on the part of everyone concerned to prove that something can be done to reduce the loss of life and property in traffic accidents," Garrison said.

How Use Of Water May END YOUR CONSTIPATION WORRIES

As you grow older, your system begins to dry out. This is true of your digestive system, and it may lead to constipation. SIBUTAN, taken daily with plenty of water, produces a smooth gel that provides the proper moisture, bulk and peristaltic stimulation to help end your constipation worries.

SIBUTAN is the all-vegetable laxative aid that moistens hard, dry food wastes and forms it for easy, regular elimination. SIBUTAN is entirely different from harsh chemical pills, salts, bran or oils. Take SIBUTAN daily with water and enjoy regular elimination or your money back.

## Farmers Warned About Grazing After a Frost

Jones County livestock owners who are grazing cane, sorghum and other crops should remove cattle from these fields for at least two weeks following a frost, according to an announcement this week by County Agent, Kirby Clayton.

Frost bitten cane or sorghum produces hydrocyanic poison for about two weeks after a frost, and even though there may be periods when the poison is absent from the cane, there is no way for the livestock owner to know. The only way to be safe, says Clayton, is to keep livestock off for a period of two weeks.

Visitors in the home of Mr. and Mrs. Johnnie Agnew during the week end were Mr. and Mrs. Pat Patterson and son of Ballinger.

## 'COME SEPTEMBER,' ROMANTIC COMEDY, OPENS HERE SUNDAY

When Italian men, who appreciate the shape of a car almost as much as the shape of a woman, star Gina Lollobrigida driving her Rolls Royce on the streets of Rome during the filming of "Come September," the bright romantic comedy in which she stars with Rock Hudson, Sandra Dee, Bobby Darin and Walter Slezak—and set to open Sunday at the Rogue Theatre—they never knew which one to whistle at first.

Gina's driving, which became a Roman household joke, was considered by the natives to be a reasonable facsimile of the antics of a Japanese kamikaze suicide pilot.

Quered on the subject of her recklessness, the beautiful Italian star spoke with typical candor. Said Lollobrigida, "I am afraid I may be a little dangerous. I get easily distracted. If I pass a newspaper stand I tend to start reading the headlines instead of concentrating on the road ahead. This sometimes worries people."

The volatile, saucer-eyed actress spent months trying

to get a license in her native country. The local bureaucrats in the Ministry of Transport insisted that she pass all necessary driving examinations even if she was Lollobrigida. She finally won the coveted piece of paper a week before she was to drive a jeep in comedy sequences with Hudson for "Come September." Instead of driving her Rolls, Gina had to spend all of her time practicing in a jeep on the streets of Rome.

Canada, her adopted country which will soon give citizenship to Gina, her Yugoslav husband, Dr. Milko Skofic, and three-year-old son Milo, was more lenient with the star.

"With a little help from the newspapers there," she said "I got my license right away. 'What do we care if she doesn't know her left from her right?' they wrote. 'Give her a license!' So they gave me one. And its true, I am not good at telling my right from my left."

"Come September" marks Gina Lollobrigida's first screen appearance with Rock Hudson.

## DORIS CHANDLER SELECTED FISHER COUNTY GOLD STAR GIRL

Doris Chandler, daughter of Mr. and Mrs. Aubrey Chandler of Roby has been selected Gold Star Girl for Fisher County.

Doris is 14 years old and a freshman in Roby High School. She has been in 4-H club five years and is now a member of the Fisher County Junior Leader's 4-H Club.

In 1959, she won first in the Junior division and modeled her garment at District 4-H Dress Revue. She has won one red and three blue ribbons on on dresses in county revues.

In 1960, she was a member of a Soil, Water and Range Conservation team which won in district and participated in contests at State 4-H Round-up. This year she was a member of a Vegetable Preparation team.

She has held the office of council delegate, president and reporter in her local club and was delegate to District Council this year.

Having attended District III 4-H camp, Doris helped con-

## Post Office Passing Out Livestock Cards

Rural mail carriers from the Hamlin Post Office will leave some livestock survey cards along their routes beginning November 16.

Information reported on these cards is used to set the yearly inventory of livestock and poultry on Texas farms. Postmaster Perry Sparks explained.

Rural carriers distribute the cards at random in boxes along their routes.

"This means that not every box will get a card," Sparks said. "For this reason, it's important for everyone who gets a card to return it filled out so that USDA can get a true sample of the State's livestock holdings."

## Promoted

Lt. Jack Drummond, son of Mr. and Mrs. G. W. Drummond of Hamlin, recently received promotion to First Lieutenant and Aircraft Commander. He is stationed at Mather AFB, Sacramento, California, where he is pilot of the T-29.

Another son, Cliff, who was a 1961 graduate of Hamlin High School, is a freshman at the University of Texas where his major is pharmacy.

Home for the week end from Baylor University were Bob Johnson, son of Mr. and Mrs. Weldon Johnson and Ken Prewit, son of Mr. and Mrs. L. E. Prewit.

Mr. and Mrs. Clifford Reynolds Jr. and Daughters visited in the home of Mr. and Mrs. Mr. and Mrs. Guy Weaver Mexico, on Sunday.

spent the week end in Lubbock. Lovell Stell of Hobbs, New While there they attended the Texas Tech-Rice football game.

Mr. and Mrs. Forrest Sanders of San Jose, California, and Mrs. Jess Matheson of Amarillo have been visiting their mother and grandmother, Mrs. Mary Arrington.
